## President's Message

"I've heard it said that people come into our lives for a reason, bringing something we must learn. And we are led to those who help us most to grow....."

Good evening honoured guests, friends and family,

Where to begin? These last two years as President have been challenging, fun, interesting and most of all, rewarding. When I was first asked to join the board of the ISCWR three years ago, I had no idea that it would become such a huge part of my life let alone

CHANGE my life. To my fellow board members Dave, Ian, Walter, Barry, Jeff, Dan, Craig, Bob and Jim – you have all helped me so much. I am so proud of the work we have done to continually move this organization forward. Because of your efforts, we have been able to reach out to other organizations and businesses in our community. We have thought outside the box and succeeded on so many levels. I count you all as friends and have been so pleased to work with each and every one of you.

To the Upper House – JJ, just being around you brings a smile to my face. You have the best laugh! Kara, we are family for life. You are my FiJeKa. Jeffy and Dayzi, there are no words to express (pun intended!) how much the two of you mean to me. I am so unbelievably lucky to know you. Dayzi, you are such a rock for all of us and an inspiration. Jeffy, I said it before and I'll say it again – you are a kindred spirit. Thank you for making me a part of your family. MWAH! (PS. Can you remind Barkley to bring my bacon?) Dee, they broke the mold with you. You are definitely one of a kind and so full of love and laughter. You make me laugh ALL THE TIME. I will always treasure your friendship.

To the other member of the dysfunctional foursome - Mike, my weekend husband...what would I do without you? You have become such an integral part of my life. Thank you for listening and for being a shoulder to lean on. (And occasionally hit - I'm sorry for all the TV induced bruises).

LJ, what can I say that I haven't said in the ten plus years we've known each other? You know how much our friendship means. I am SO proud of you. YOU should be proud of you. You have brought so much to this organization but more importantly, so much to my life. Part of who I am is because of you. You are my brother, my best friend, the Will to my Grace.

TJ, you are my soul and you will have my heart forever. I will ALWAYS give you support, encouragement, trust, and love. My life is changed for the better because of us. I love you.

Message from Honourable Ed Stelmach  
Premier of Alberta

*On behalf of the Government of Alberta, it is my pleasure to welcome everyone to Coronation 36: A Royal Walk Through the Emerald Forest, hosted by the Imperial Sovereign Court of the Wild Rose.*

*I believe that a great source of strength for our province lies in the diversity of its people. We all come from different backgrounds, with different beliefs and ideals, but one thing that connects us all is the place we call home. Through your efforts to support a diverse community in Edmonton, whether through advocacy, fundraising or support for different charities each year, you are helping to create strong, inclusive and accepting communities.*

*I want to offer special thanks to the association and all the volunteers and organizers who helped plan this year's coronation. Your hard work will certainly help ensure a fun and memorable time for everyone, and help to raise funds for worthy organizations.*

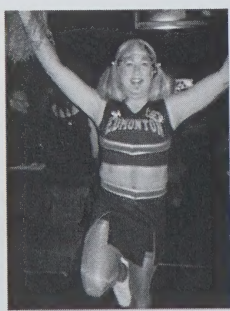

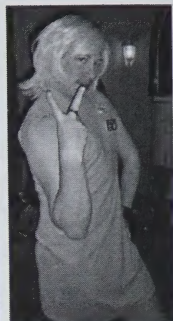

*Best wishes!*

Ed Stelmach

## *The John DeSmit Citizen Of The Year Award*

*The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.*

*John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.*

## Imperial Grand Duke XXXV — J. J. Velour

Hey Everyone.... Well, I can't believe this year is over and what a year it was! I am so grateful that I was given the opportunity to be your Duke. I have learned so much and have grown as a performer over this past year. I cannot forget the many wonderful people I was able to meet and start building strong friendships. Through the many shows, fundraisers, Coronation Balls and many many hugs, I have enjoyed this year immensely.

Throughout this year there have been many people to help me along the way who deserve many thanks. First of all, I would not have been here if a certain Emperor did not have faith in me to ask me to run with him. Lj, you have been my mentor and my teacher. You have really shown me what this organization means to you and what someone can do if they put their heart and soul into it. You have blessed me in so many ways and I can see myself following in your footsteps. Thank you for all the fun times and most of all for supporting me while I was seeing porcelain (you know what I mean). Dee.....thank you for all the laughs, fun experiences, rides and unending support I will never forget. Jeffy and Dayzi.....you have encouraged me so much. To my beautiful and lovely Duchess Kara, I am so grateful that I got to co-reign with you. You are such a beautiful person (inside and out) and I hope that you continue to do what you do! I also cannot forget the wonderful people that supported me throughout my reign at home and away from home (too many to mention). Last but not least, my partner and love of my life. Craig, thanks for your unending and continued support and being my rock!

Highlights from this year:

Halifax Coronation

Leather, Feather, and

Calgary Coronation

Thanks again for a terrific year! I have learned so much and can't wait for what the future holds.

## Imperial Crown Prince XXXV— Jeffy Lube Exxxpress

It has been quite the year, and I am very proud to have been part of an Upper House and an organization that worked so well together! The fundraising shows we put together were exciting, fun and unique events. **Iconika** and **Leather, Feathers & Fur**, which were organized by the Princess and I, were successful events and I have to thank those who helped out and those who attended for making all the hard work worth it. The ISCWR came together and worked very hard to present **Little Shop of Horrors** – to me this was a dream come true: I had seen many ISCWR production shows and to be a part of one was definitely a highlight of the year. Thank you to the cast & crew – you were “plantastic”!

The Coronations I attended this year (Regina, Tacoma, Vancouver, Calgary) were so much fun and I was happy to represent Edmonton with the other ISCWR members who attended. The 15 hour drive to Tacoma, Washington with Dayzi Chayne, Leah Way and Dee Luv was particularly memorable.

I seriously don't know how I can possibly thank everyone who needs to be thanked on one page. Trying to include everyone who made this year special would require this entire program. So if you were missed: [Insert your name here]. Thank you from the bottom of my heart. You know who you are.

To everyone in **Calgary**, our sister city, and the **ISCCA** – I truly believe our two courts were the envy of many as we showed a united Alberta. To the Calgary monarchs who reigned during my year as Prince: you made it all the more fun and memorable. **Fred & Malibu**. **Chris & Makayla**. Thank you so much for making me a part of your ISCCA family. **Bull Dozer**, **Ruby Harte**, **Darkteir D'Chandinier**, **Lucy Fur**, **Poodle**, **Brandy**, **Dion**, **Mz. Rhonda & Sir Wayne** and so many others: all my love!

In particular I want to send my thanks and love to two of the best: **Fred Woulfe-Would** and **Barkley Boink**. This year would not have been complete without the two of you. Fred = Flawless. Barkley = Bacon. SQUIRREL!

In Edmonton there are so many who have made this year special it's impossible to list them all: **BigDaddy & Ivanna** who listen, care and give such great advice; **Leah** who keeps me in line; **Marni** who inspires me; **Jacque**, one of my best friends; **Robert** who knows what I like; **Denric Cats & Yeust Bobb** who are always there for me; **Dave & Walter**, whose support means so much. And of course there are my girlfriends: **Kari & TJ**, **Pam & Karen**, **Deb & Tracy**. Love ya!!!

**The Elizabeths**. Oh those Elizabeths. My friends, my confidants, my laughter, and all my fault. To the kids **Barkley Elizabeth**, **Agador Elizabeth**, **Ruby Elizabeth**, **Stiffy Elizabeth**; to my brothers **Robert Elizabeth** and **Jimmy Elizabeth**; to the effervescent **Grandpa Betty**: Thank You for adding to the insanity of my life.

To my Monarchs and Upper House – I am so proud of what we accomplished this year. Thank you **Lj Steele**, **Dee Luv**, **Dayzi Chayne**, **JJ Velour** and **Kara S. Matic**. We did it!

Last and certainly not least – this year would not have been possible without the love and support of my Princess **Dayzi Chayne** (aka my husband and love of my life Brian). To be able to work together on the various projects we were involved in over the past year, even when it got a little stressful, has been a joy. And in real life, we're still married. I think that says a lot.

# Emperor XXXV— L. J. Steele

Honoured Guest, Fellow Courtiers, Colleagues, Friends and Family:

I am humbled to be here tonight and dedicate this year to two important factions that drove my year. The first is to the youth of our community. We have lost many young lives this year and it saddens my heart to see this. But remember "It Gets Better" and anything we can do as an organization to bring awareness to our youth and to help them is important. I urge each and every one of you to reach out to one youth before this year is over. A few simple words go a long way.

The second dedication is to my family I have formed. To build this unique relationship between any of us in our organization, I call each and every one of you in this organization & community, from all four points of the continent to those who mean the most to me under my roof, my family. I cherish each and every moment I have had with all of you. I have no regrets and only rewards about this year.

To think this journey started with a 5 year plan and is now coming to a close. But it is only the first chapter of many in my life and I look forward to knowing more about each and every one of you. My hard work has paid off and although there are very minimal things I would change, I am proud to have accomplished this goal.

I traveled to a lot of places and met a lot of people over these 5 years. I couldn't remember you all but I put these in order of where you became central to my life and where I truly made a friendship with you. **SO READ CAREFULLY AT YOUR OWN RISK!**

**Alaska** – My first out of town, what can I say your hospitality is next to none and I have never gone through so many livers in my life around you folks. **Kevin and MeMe**: Thanks for starting me off right **Mary Bess**: God blessed Texas but he also blessed you know what...Mama! **Mikey and Rosie**: Thanks for opening your home to me and your hearts. I am an honoured Rotten! **Colleen**: Love you girl! Don't change for anyone **Mama Ho**: Canadian health care is waiting! Just bring me down watermelon! **Paige**: My sister in law, what a spitfire. Love ya! **Joani & Vicki**: You both are so much fun...can I have you both?

**Regina** – OMG I know I will forget someone as there has been so many fun times. **Avaughna & Bruce**: Such elegance...and fun! hehe **Kricket & Mitch**: Timeless the two of you. **Daniel**: Oh to be the dead cow in your closet. Thanks for the inspiration! **Roxy**: Lights go on, Lights go off...girl where's my hotdogs! **Kerry**: For all the times you have come up and helped I thank you from the bottom of my heart **Schmoo**: I still want a mustache ride! **Mary Jane/Trip**: Wonder Twin Powers activate. I am so happy you are my family. Sorry I made you work as hard as you did but girl, no one deserves it more than you! **Jenny**: Girl where your head at? I love to watch you perform and I really someday will find out what your secret is that makes up those crazy ideas in your head. Thank you for accepting my command. **Andy**: Dude, we did it. Emperor's pack initiated. I am so happy to have reigned with you. ANYONE else I missed, I am sorry but you know I love each and every one of you in my own ways. See you out and ABOUT! Blame Canada!

**Edmonton:** There are simply too many of you to mention. Each and every one of you in this City of Champions I have learnt from, taught to, looked up at, appreciated, admired, thanked, grateful too, etc etc. I hope each and every one of you realizes what you have brought me. Edmonton is where my heart is after moving here 10 years ago. I thank each and every one of you especially the bars; **Boots, Roost, Prism, Play, Flash, Buddy's, Woody's and Junction** and everyone I have met through there.

**The Gay Edmonton's Tequila, Jacque and Tessa:** Family or not, each and every one of you strived just as hard as the rest of us and I thank you and want you to know I valued your hard work.

To the **ISCWR BOARD of Directors:** You lasted beside Dee and I and we could not have had more support if we were wearing a Victoria Secret Bra...wait maybe Dee does! Finally to the **College of the ISCWR:** Thank you! You all know who you are and some of you have been a bigger support than anything. I only hope I have done you all proud and appreciate those of you around that have offered advice one way or another to me. **Chatty, Ray, Oprah, Lloyd, Leah, Southern, Chuck, Sundance, Marni, Big Daddy, Ivanna,** I have looked up to you all!

**To the Queen Mother of the America's, Nicole the Great:** Thanks for the inspiration in getting involved. I look forward to my journey within the ICS.

**To the HEC (Hot Emperor's Club):** The laughs, the drinks, the moments. Cinderella...I want your fairy godmother! **Rob Hunter De Woof:** Sexy beast you are. WOOF! You are more than a friend and I thank you. **Mark:** Thank you for accepting my command. Just call me jack cause your my beanstalk! Enjoy the chef boy-r-dee. **Cory:** My brother...even if you are stuck up! Who would have thought that starting our journey together so close together would result in the BEST friendship one could have. I truly love you!

**Brian/Pup Bull:** Ok so maybe I am shedding one tear. But you cry enough for the both of us and it is that strong character and exterior with the heart and soul of an angel that has made me fall in love with you. You have made up 1/3 of me and were a wonderful surprise in this year. Your playful pup attitude just keeps me coming back for more. ALL my RUV for you.

**My Family:** **Tj:** You are more than a protector of my squirrels and personal prince; you are a protector of one of my most valued treasures Kari. I am so happy to have you in my life and consider you a HUGE part of my family. **Kari:** What do I say. From my "boarder" years ago to my roommate now. But you are more than that and you know it. You were there through an extremely hard part in my life and I don't think I would have succeeded where I am without you being there for me. And to have you become so involved in something so dear to me, my only wish for you then, now and forever is that you are happy. You are my sister, my friend, my jewel.

**Mike/Stiffy/Boo:** You have come to have so many names but you only mean one thing to me. My love. You are my partner and my heart and make up the other 1/3 that completes me. Again a pleasant surprise this year but I truly could not have done this without you. You have helped me grow as a person in so many ways and I owe you the world for all that you have done this year. We did crazy together and we did it well. Oh and let's not forget the Kings Chariot!

**Finally My Upperhouse.** We did it and survived. And I know all of you were scared of the whip that was cracked...but I have to say I only strived to go harder because I know the support I had from each and every one of you could drive us all to the stars. **JJ Velour: My Duke.** The hugs were the most valuable of what you brought. You were there for them no matter what and I could always make myself feel a better by a hug from you whether you knew if I was upset or not. You did everything I could expect and to go to Halifax with you was an honour. We will always have the ghosts. Just remember what I taught you. No underwear to hospitality and leave the drawstring in your sweats loose so you can be comfortable. :) **Kara S. Matic: My Duchess.** My baby girl. I am so glad to have you in my family. You have made your father/mother or whatever it is I am from day to day so proud and have come so far. It's hard to believe in only a couple short years you have come so far. You will always be my baby girl and now that I have stepped down maybe a mother/daughter road trip will be in order. I love you with all my heart and couldn't be more proud. **Jeffylube XXXPress: My Prince,** in shining leather. Sexy, talented and fearless. You made our organization so proud this year and did such a HUGE wonderful job. I hope you realize what value you have brought to us. And from the first performance on stage for my birthday, I knew you were the prince to have. I only hope you have been able to learn from me as much as I have learnt from you. You have become more than just my prince but my close friend. I am excited to see what the future holds for both of us. **Dayzi Chayne: My Princess.** Thank you in more ways than one. Not only to have you as my best friends partner, you, have yourself become a big friend of mine. You had the ability to simply calm me and put things in a perspective and I am eternally grateful. Maybe that is the teacher in you. I want you to know you have definitely taught me more than you know. Thank you. **Eldon: My American Half** The support I received you this year is unmatched. Who would have thought the friendship we developed this year would surpass the stars! You were there for me no matter when or where, no matter what the crisis, and you always checked in on me. I value you more than you know. **Bob (Thelma) Toane: My Canadian Half** You tell it like it is and I think that is why I needed you by my side this year. You always gave me the strength to believe in myself and have the confidence to do the job.

**Dee Luv: My Empress.** Yes my wife. You're the wife that matters, no matter how many I seemed to have adopted this year. We started our journey together 3 short years ago. But it seems like I have known you all this life and my past. I could not have asked to reign with anyone who means more to me than you do. You are truly my friend and soul mate. All of what we have done this year we have done together and not once did either of us think of doing it any other way. The countless phone calls, work emails, trips have only caused me to appreciate you and respect you as my friend. The road trip was something altogether different. I would not have exchanged that experience for all the money in the world. We will always be the best of friends and I will always be there for you no matter what. One call no matter where in the world I make this solemn vow to you that I will come running. Enjoy the night as much as I, my wife. We deserve it.

And with that, I draw my message to a close. I hope you all enjoy your evening. This year has been a jungle and together each and every one of us has blazed our own path on the road to riches, no matter what it is you hold dear. My respect and love to each and every one of you. Puppy Lix!

## Imperial Crown Princess XXXV— Dayzi Chayne

What a ride! It's hard to believe Dayzi is a mere three years old – precocious thing!

Who would have thought that a slight mention of an interest in “dragging it up” would lead to the point I find myself today. And with that in mind I would like to thank all those people who have aided (and abetted) me along the way. Starting of course with Jim (Debi), Leah Way (can one have two drag mammas?) and Binky – without the encouragement of these three, Dayzi would have been a fleeting thought.

Special thanks also to Denric and Yeust Bob for all their support from the beginning! (really - Dayzi Chayne?) And as Dayzi made her way on stage and found a penchant for performing, special people stepped forward with their reassurance and even praise – thank you, thank you Chatty, and Mamma Ray – it has meant so much to me! Thank you to all who have enjoyed my performances. I've tried to mix it up, and I don't think I've played it too safe – and you've forgiven me for the various wardrobe malfunctions.

Marni and Sundance, it was your amazing year with that led to my involvement with the ISCWR and it has been such a special part in my life. I knew very little of Court and what it stood for. I only knew of drag shows and the annual coronation ball – and then just as an observer – but it has been an honour to be part of its mission to raise funds to support the designated charitable and community organizations and the youth of our community

through the various shows and community events that have been part of my involvement with the 33<sup>rd</sup>, 34<sup>th</sup>, and now the 35<sup>th</sup> reign.

To be a part of this organization as a title holder has been a bit surreal. Believe it or not, I still view myself as an introvert, but on the other hand when I commit to something I give it my all! Being asked to run as Princess by Empress Dee Luv was such an honour but I did so hoping it would allow HMISH Jeffylube XXXPress and me to put on some bang-up shows and support the current reign in as many ways as possible. It has been a sensational year of new experiences and many successes! There are so many people in this organization that step up to the plate, giving of their time and their talents. I am lucky to have had the opportunity to work with them. I could fill a page just with the names and thank-yous to people who have shared their positive statements, and given their encouragement and support along the way. I have met so many people by association with the ISCWR. Not counting the numerous facebook friends who seem to have a penchant for photos and video montages of court activities, our travels to Regina, Tacoma, Vancouver and of course Calgary have reminded us that we all have so much in common, not the least of which is a commitment to our fundraising purpose, but also to have fun along the way. These people are **too numerous to mention – consider yourself included here** if we have crossed paths!!! **Thank you!**

Thank you to the performers in all of the shows and to the clubs who have welcomed us with open arms; GoDiva; thank you so much for your sage (yes!) wisdom and talent; Ivanna, who truly shines like diamonds; Vanity, for hair extraordinaire and performances beyond compare! I would like to make special mention to some individuals who I consider true friends and supporters not just of Dayzi and Jeffylube, but of Brian and Jeff – you have seen us in all our incarnations and you still put up with us. From Calgary: Fred and Barkley – some friendships are just meant to be; Ruby – I ♥ you!; Poodle and Brandy – thank heavens insanity is not contagious, but then again.... (and a thank you to various members of the ISCCA for your welcome on numerous occasions – Calgary felt like home) And here: Big Daddy whose heart matches his moniker; Bobert, therapist and therapeutic bartender and above all friend; Jacque, not just another Agadore; Stiffy, such a talent and such a genuine and honest person; TJ, your enthusiasm is contagious, now relax; Tracey and Deb, I love you gals!!

Thank you to the current Board of the ISCWR for your support and patience in our endeavours (especially Kari), to the members of the lower house for all the work you have done this year (and will continue to do), to fellow members of the upper house; Kara and JJ – you both did such a good job; Emperor LJ Steele – two thumbs up; my Empress Dee Luv for the faith you have put in me – I am truly honoured to have been your princess; and of course my own “personal” prince – the reality has lived up to the fantasy and has done so every day of our 13+ years together. I'm still enjoying the honeymoon. As you know, I am what I am because of you. I am blessed!

## Imperial Grand Duchess XXXV— Kara S. Matic

Good Evening Ladies and Gentlemen and Everything in between and welcome to the jungle. Well your majesties you did it. The past year has been a year of wonderful memories and some very meaningful times. DEE, LJ without the two of you I would not be where I am today. Because of you I have been able to step out of my box in more ways than one. To my Empress DEE LUV how can I show my gratitude to you, there are so many ways and no right words. You have been more than a friend to me - you're my family. I love you. To my Emperor LJ Steele, (Momma) wow when you said this was going to be a lot of hard work I thought you were joking, how wrong I was. The past year reigning with you has been a success and a memory. Thank you for putting me in the first cart of this roller-coaster, without you Kara would not be here, and I blame you. I love you and am happy to call you my family. To my ICPs Dayzi and Jeffy what can say that I have not said already. Other than I love you and Thank you for your support. Step-Daddy the countless dress changes and fun times. Thank-you and you mean a lot to me. There are so many people to thank and with limited space that Leah Way has allotted me I cannot name you all, but you know who you are and how much I love you and how much you mean to me. To China White (Winnipeg) Where is my Five dollars, I

have your cast-iron frying pan. Thank you to the community and to the board for your support. Well I think that is everyone, oh wait my duke. How could I forget you. JJ, my love you have been a rock from the first day we stepped up. I have no right words that can show how you have helped me this past year, from hosting to planning outfits to anything I needed you were there. From the bottom of my heart thank you Love you to pieces and yes we did it.

With my last walk I give this to my Duke JJ Velour and to the 2 people who changed everything for me, DEE LUV and LJ Steele. All my love.

# HIV EDMONTON

## Millicent's Red Diamond Retreat

HIV Edmonton, in partnership with the ISCWR was thrilled this summer to be able to provide a camp for families affected by HIV&AIDS.

It is through the generosity and kind spirit of the members of the Court, its activities and events, and the respect and recognition that the Court gives to people of all communities and every aspect of society without discrimination or discouragement that we are so pleased to embrace the ISCWR's valued role in the camp project.

WOW! How amazing it has been to be able to be part of the court this year, and to start it off with all of you. I hope I can make you all proud in the new year and hey, if you think you are done, you're dreaming and it's time to roll your eyes. Trust me, I have a lot of things in the upcoming year for you to do. he he. Tequila, it's been such a feeling to have the title passed down to me from such a great friend. Lonny, don't worry you will always have your dancing poodle in your back pocket. And of course your seamstress at your fingertips. Dee, thank you for your glances and smiles every time I saw you. I will always look forward to those sassy glances from across the room. Thank you for this, it has always made me feel so welcome, thank you again. It was a great honour to allow me to choreograph the Thriller/' off with their heads number for turn-a-bout. To me new little daughter, don't stop being the lip stick DIVA I have taught you to be. Thank you again to everyone in the court. This year has been a blast, and always remember, unicorns are just gay horses with strap-ons.

Looking forward to the new year

Mz. Gay Edmonton

Vonda

I would like to thank the current Elected Empress Dee Luv, and Emperor Lj Steele for their continuous support and encouragement, my first few months as the new Ms. Gay Edmonton. I would also like to thank the other members of the upper house as well, Imperial Crown Prince Jeffy Lube XXXpress, Imperial Crown Princess Dayzi Chayne, Imperial Grand Duchess Kara S. Matic, and Imperial Crown Duke JJ velour.

Congratulations on all your hard work. Your dedication to the court, and positive attitudes even during your last few months of your reign, prove that we can work together to create a change for the better, and as new members enter the court, they continue the path that you have started to pave.

Good luck to the new Emperor, Empress, Prince, Princess, Duke, and Duchess this up coming year. I look forward to working with you, and helping you out any way I can, in the events, shows and fundraisers.

Ms. Gay Edmonton

Lyria Lust

First and foremost I would like to thank LJ Steele and Dee Love, amongst many others for the fantastic work they have all done in their reign. I have never been welcomed into a community with such respect and support as I have been with all of you. As a relative new comer to the ISCW community, I think I have started to form strong relationships within our community as well as others. In my reign as Mr. Gay Edmonton XXIV, I have high expectations for myself. I am going to put forth my utmost effort to aid the community in any way possible. I believe I have three very strong assets which can be very beneficial to my reign. I am an open and welcoming person who will do anything to make everyone feel comfortable in any situation. I am a passionate person who stands up for what I believe in and will do anything to help people to reach their full potential. Finally, I am a hardworking man who does not rest until all is done to the highest expectations. I cannot wait to see what this year has to offer. I am honoured and forever grateful to be an ambassador for the community and will be there to help out in anyway possible.

Sincerely;  
Prince Charmin
